President's Message

The board of directors of LWVBN has approved the budget proposed by the budget committee for 2010-2011. We thank Lyle Toohey, Terri Parks, Judy Weidemann, Deb Billoni, Joyce Bol and Judy Clarke for their work in preparing the proposed budget.

The nominating committee will submit its candidates to the board at its April meeting and to the membership in the Annual Meeting Packet that will be mailed to all LWVBN members at the same time as the May VOTER is mailed.

The Natural Resources committee visited the Waste Management facility in Chaffee, NY on March 8. The details for the ECO Tour at Daemen College for LWVBN on May 15 will be printed in the May VOTER.

We will conduct the Buffalo Municipal Housing Elections this spring. Volunteers are needed for many tasks including sorting and counting the ballots in early June.

The issues Committee appointed Lenore Banks, Anne Huberman and Therese Warden as a subcommittee to review our 2009-2010 Local Program and new proposals for our 2010-2011 Local Program. They will present their recommendations to the Issues Committee at its March meeting. The Issues Committee will present its recommendations for additions and revisions to local program for board action at its April meeting. The board's recommendations will be mailed in the Annual Meeting Packet for adoption at our annual meeting in June.

At the March board meeting, the board approved the League's support of a Women Leader's Statement requested by Voice Buffalo in response to cuts in services to women and children of Erie County, such as neighborhood health clinics and day care subsidies.

Janet Goodsell and other League volunteers are currently conducting interviews with local State Legislators. We all miss Loretta Peszynski's presence at our meetings and wish her a speedy recovery from her surgery at the end of January.

One of the highlights of spring 2010 will be the League's 90th Birthday Celebration. We are planning a gala birthday event to be held in conjunction with our annual meeting on June 5th.

I hope to see many of you at some or all of the upcoming events.

Margaret Brunson, Co-President LWVBN

Marie Hanrahan will lead our topic, Transnational Crime globalization's shadowy stepchild, on Thursday, April 1, 2010, from 10 AM-noon at 1272 Delaware. " From the booming sex trade in Eastern Europe, to online fraud syndicates in Africa and the drug cartels of Asia and Central America, crime is becoming increasingly organized and globalized. How can countries better protect citizens seeking a globalized world from being exploited? What international actors can effectively fight global organized crime?" Do you wonder what root causes of criminality are? Please join us to explore these issues.

ETHICS...IN ALBANY?

Reforming our State Government: A Forum for Our Times

Sunday, April 25th, 2010, 1-4 P.M.

Unitarian Universalist Church of Buffalo, Parish Hall

Elmwood Avenue at West Ferry Street, Buffalo, New York 14222

Keynote Speaker: **Blair Horner**, Legislative Director, NYPIRG,
Advisor on Policy and Public Integrity to NYS Attorney General

Moderator: **Barbara Kloberdanz**, member, LWVBN

Panel Participants:

Rev. Dr. Richard Gilbert, Social Justice Coordinator, St. Lawrence District,
Unitarian Universalist Association

Bob McCarthy, award winning journalist and Buffalo News political correspondent

Senator Eric Schneiderman, Chair Senate Codes Committee, sponsor S6457 on
legislative ethics reform

LWVBN is partnering with the Interfaith Impact of NY and the Social Justice task Force UUCB to present an up close view of one of New York State Government's most intractable problems, the perspective from Western New York, and steps all of us can take to reform the system. The AAUW is a co-sponsor of this event.

For more information about the forum call the League Office 884-3550

Ethics reform is a 2010 legislative priority for the League.

Ethics reform legislation (S6457) was passed by the State Legislature this past January and sent to Governor Paterson, who vetoed the bill. As of this writing the State Senate has tabled the motion to reconsider the Governor's veto, having failed to over ride.

Voicing support for S6457, the State League stated that the proposed changes would improve both ethics and campaign finance enforcement and create greater transparency. Specifically it would:

1. Strengthen the enforcement unit with in the State Board of Elections and increase transparency of filings and enforcement.
2. Create three new oversight agencies for ethics and lobbying.
3. Require more extensive disclosure from legislators and lobbyists.

While the proposed legislation does not include everything that the League sought, we believe these changes represent a substantial and necessary step forward on ethics and campaign finance enforcement reform. New York cannot afford the continuation of a flawed ethics oversight system.

Detailed information on the proposed legislation, the full text of the League's Memo of Support and Letter to Governor Paterson are on the state League website, www.LWVNY.org.

If you are interested in participating in lobbying visits to legislators to promote the League's positions, contact *Janet Goodsell* at events@lwvbn.org

We appreciate the help of Laura McDade for her expertise in moderating; Sue Marom and Joan Herold for keeping time; Ellen Moomaw and Trudy Kelly for sorting questions; Judy Weidemann for sending letters to candidates and Lynn Wilkins for phone calls, publicity posters and name cards. Joe Logan videotaped the program that was aired on the local cable channel three times daily until the March 16 election.

Spring Shoreline Sweep

Help the Waterfront Committee pick up trash on scenic north Squaw Island in the Niagara River Saturday, April 17, from 9 a.m. to noon. We will again be working under the auspices of the Buffalo Niagara Riverkeeper. All Leaguers and friends are welcome.

Bring a warm jacket, gloves, hat or sunglasses, sunscreen, water and maybe a camera. There are no restrooms.

We drive into the Squaw Island Park from Niagara Street in Buffalo on the ramp-like entrance next to 1726 Niagara Street. It's a short block north of the Niagara Street/Scajacuada intersection. The entrance has a large billboard and a small park sign. From the park entrance, cross the bridge spanning the Black Rock Canal. (Make sure that no one is already on the bridge as it has only one lane.) Then drive straight ahead (west) to the river. Turn right under the International Railroad Bridge and drive to the end of the road where we will start our work.

Please e-mail Sally Metzger events@lwvbn.org to say you can come so we can plan supplies and arrange rides.

If you live in Amherst or the Southtowns you may prefer to work at a site closer to home. Contact Buffalo Niagara Riverkeeper, 852-7483, <http://bnriverkeeper.org/get-involved/cleanups/> for other sites.
